Christ Church College, Kanpur, through its Rovers & Rangers unit, in collaboration with the All India Women's Conference (AIWC), organized a Workshop on CPR and First Aid Training on 23rd September 2025 at the Dr. Sarvepalli Radhakrishnan Auditorium. The workshop aimed to equip participants with essential life-saving skills and practical knowledge in emergency medical response, while promoting health awareness, social responsibility, and community engagement among students. The workshop commenced with a warm welcome address by Convener of the workshop and Coordinator Rovers & Rangers Dr. Ashish Kumar Dubey. Dr. Dubey extended heartfelt greetings to the dignitaries, CPR trainers, faculty members, AIWC team and students.

Workshop Coordinator Dr. Rukmani Devi outlined the program's objectives and schedule and noted the importance of first aid and emergency response skills.

In his address Prof. Vinay John Sebastian, Principal of Christ Church College, emphasized the college's commitment to practical skill-building for students and staff. He explained the importance of Cardiopulmonary Resuscitation (CPR) and First Aid Training, noting that CPR is a life-saving technique that helps maintain blood flow and oxygen supply during cardiac arrest, thereby preventing brain death and irreversible organ damage. He remarked that by combining the social vision of AIWC with practical health education like CPR and First Aid, the workshop not only imparts essential clinical knowledge but also prepares students to act responsibly in times of crisis and contribute meaningfully to society. Mrs. Anita Garg, President of AIWC, addressed the gathering and highlighted the organization's commitment to women's empowerment, health awareness, and youth engagement. She further noted AIWC's role in promoting education, social counseling, and skill development initiatives across the country. Her address inspired students to actively participate in community service and contribute meaningfully to social development programs. Ms. Raminder K. Arora, Secretary of AIWC, traced the historical roots of AIWC, recalling the contributions of pioneering women leaders who played pivotal roles in shaping the vision of the organization.

A Nukkad Natak titled "Safai ka Safaya", performed by AIWC members, focused on the themes of environment, women empowerment, and youth inspiration. The performance creatively depicted real-life social issues, showing the importance of environmental cleanliness, sustainable practices, and responsible citizenship. Through engaging dialogues, relatable scenarios, and impactful enactments, the team emphasized the role of youth in driving positive social change and encouraging community participation. The CPR and First Aid Training session was conducted by Dr. (Sqn Ldr) Sunit Gupta, MD (Anaesthesiology), Vice President of PRANODAYA. Participants learned essential CPR techniques, including chest compressions and rescue breaths, using mannequins for practical demonstration. The First Aid segment covered immediate responses to fractures, burns, fainting, and other common emergencies. The hands-on training enhanced students' confidence and preparedness to act effectively during real-life crisis situations.

The workshop concluded with a formal Vote of Thanks delivered by Dr. Raghvendra Singh, who expressed sincere appreciation to organizers, resource persons, and supporting staff for their dedication and hard work. He also acknowledged the enthusiastic participation of students, which

contributed significantly to the success of the event. The workshop was attended by 278 participants, including 22 AIWC members, 24 faculty members from different departments, and 232 students.
