The Theatre Club of Christ Church College, Kanpur organized an online webinar on the occasion of international world theatre Day. **International World Theatre Day (27th March 2026)** on the theme “*The Impact of Technology on Theatre in Contemporary Context.*” The webinar commenced at **5:00 PM** with great enthusiasm and active participation from students, faculty members, and theatre lovers.

The program began with a **warm welcome address by Prof. Meet Kamal**, the Coordinator of the event. In his address, he welcomed the respected Principal, distinguished resource persons, faculty members, and students. He highlighted the importance of theatre in society and emphasized the relevance of the theme in today’s digital era. He also briefly introduced the purpose of organizing the webinar and encouraged participants to actively engage in the session.

Following this, the **Principal, Prof. John Sebastian**, delivered his inaugural address. He appreciated the initiative of the Theatre Club in organizing such an insightful webinar on International World Theatre Day. In his address, he spoke about the significance of theatre as a medium of expression and cultural preservation.

The session was then taken forward by the distinguished resource persons. **Prof. Vibhanshu Vaibhav**, an accomplished actor, director, and writer from SUPVA, Rohtak, shared his valuable experiences in the field of theatre. He discussed how technological advancements have enhanced stage performances, production quality, and storytelling techniques.

The second speaker, **Shri Ratan Rathore**, Director of Anubhuti Natya Sanstha and a Bollywood actor, provided practical insights from the industry. He elaborated on the use of digital platforms, virtual performances, and modern sound and lighting technologies. He also motivated students to explore career opportunities in theatre and media in the digital age.

The event was co-coordinated by **Dr. Eric Wilson and Dr. Rukmani Devi**, and efficiently supported by student coordinators Jagriti Gupta, Shweta Singh, Alisha Naj, and Ilma Tabassum. In conclusion, the webinar proved to be highly informative, engaging, and inspiring. It served as a valuable platform for learning and interaction, making the celebration of International World Theatre Day truly meaningful.

WEBINAR OBJECTIVE

The objective of this webinar organized by the ***Christ Church College Theatre Club*** is to explore how technology is reshaping theatre in the modern world. The program aims to create awareness among students and theatre enthusiasts about the evolving relationship between traditional stagecraft and digital innovation.

Through expert insights and interactive discussion, the webinar seeks to help participants understand how tools such as digital media, online platforms, virtual performances, lighting technology, sound design, and social media are expanding the reach, creativity, and accessibility of theatre. The event also aims to inspire young artists to adapt to contemporary trends, encourage creative experimentation, and highlight how technology can help preserve and promote theatre in the 21st century.

WEBINAR OUTCOME

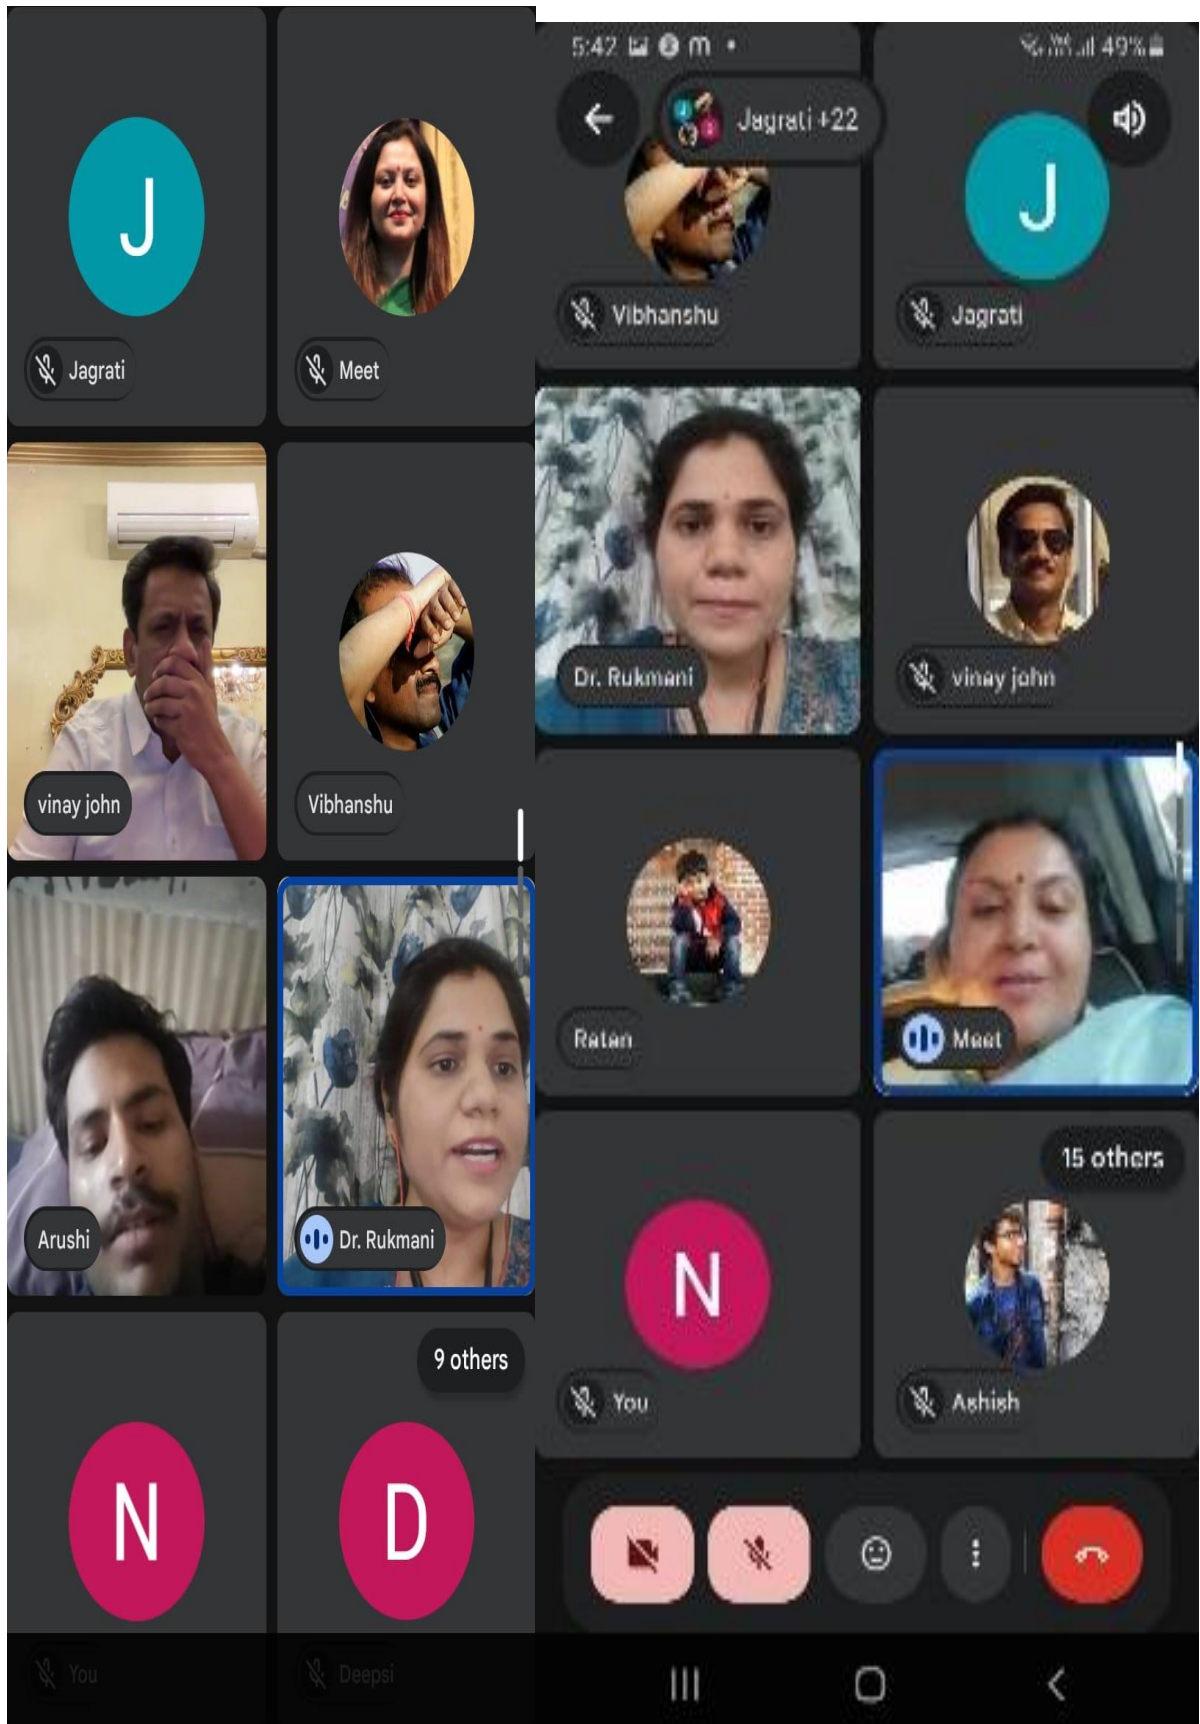

By the end of this webinar organized by the *Christ Church College Theatre Club*, participants will:

1. *Gain an understanding of the impact of technology on modern theatre*, including its role in transforming performances, production processes, and audience interaction.
2. *Receive valuable industry insights* shared by experienced professionals from the fields of theatre and film.
3. *Become familiar with contemporary digital tools and platforms* used in theatre, such as virtual performances, digital marketing, and advanced sound and lighting systems.
4. *Develop awareness about diverse career opportunities* available in theatre, media, and performing arts in the digital age.
5. *Foster creativity and innovation* by exploring the integration of traditional theatre practices with modern technological advancements.
6. *Enhance their appreciation for theatre as a dynamic and evolving art form* that adapts to changing times and technological progress.
