FEEDBACK RESPONSES FROM STUDENTS RELATED TO TEACHING AND CURRICULUM 2020-2021

Feedback Analysis:

The teaching techniques and curriculum followed at Christ Church College, Kanpur enjoyed a lot of approval among students. The different facets of pedagogy registered around 75 per cent satisfaction, based on student feedback forms. Student feedback is taken to provide objective information to the faculty for self-appraisal, self-improvement and development. As the institution is affiliated to the university and the course prescribed by it, the college can't make any changes to the curriculum, but ensures enhancement of the learning experience through innovative teaching methods and out-of-classroom activities like field trips and industrial visits.

There was a relatively small section of students who expressed dissatisfaction or remained neutral when asked for their opinion.

The way the teachers take care of their students and guide them to overcome their problems is being appreciated by the majority of the students. Most of them opined that the courses have applicability to real-life situations and have enhanced their knowledge and capabilities to handle the professional aspect during job interviews.

The co-operation of teachers, library staff and other general staff for the overall benefit of students, and the availability of teachers even after prescribed classroom hours to clear doubts, is another strong point of the college.

The innovative techniques employed by the teaching staff promote the value of teamwork and enhance the students' ability to work and flourish in a group. The various co-curricular and extra-curricular activities enhance that aspect. The integration of theory and practical classes, and the opportunity to attend workshops, do projects and fieldwork add another dimension to the learning process.

FEEDBACK RESPONSE FROM STUDENTS RELATED TO TEACHING AND LEARNING 2020-2021

Feedback Analysis:

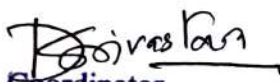

The teaching-learning techniques and the curriculum followed at Christ Church College, Kanpur enjoyed a great deal of approval among the students. The different facets of pedagogy registered around 75 per cent satisfaction, based on student feedback forms. As the institution is affiliated to the university and the course prescribed by it, the college can't make any changes to the curriculum, but ensures to enhance the learning experience through innovative teaching methods and out-of-classroom experiences like field trips and industrial visits.

There was a relatively small section of students who expressed dissatisfaction or remained neutral when asked for their opinion.

The way the teachers take care of their students and guide them to overcome their problems and emerge as a colossus is being reported by the majority of the students. The availability of books and reference books in the library also has strong role in the development of the students.

Co-operation of teachers, library staff and other general staff for the overall benefit of students, and the availability of teachers even after prescribed classroom hours to clear doubts is a big strong point of the college.

In fact, 41.9 per cent of respondents rated student-teacher interaction as 'excellent' while another 44.4 per cent called it 'good'. This shows the unique bond which goes a long way in improving the learning process. The effort that the teachers put in for the overall personality development of students has also been well appreciated.

Action Taken Report:

- Maintenance of attendance records by teachers was improved by inducting IT tools.
- Laboratory facilities are being augmented to enrich the learning experience and improve conceptual clarity.
- The Library functioning is being streamlined and automation of the Library is underway with the implementation of ILMS software.
- Teachers have been advised to engage students in beyond classroom activities like workshops, Projects, fieldwork. . This would also provide more opportunities and platforms to students to work in a team and develop leadership skills.

FEEDBACK RESPONSES FROM TEACHERS 2020-2021

Feedback Analysis:

The teachers of Christ Church College, Kanpur were of the opinion that they make every effort to ensure the academic and overall development of the students. The curriculum caters to the needs of the students and incorporates research and project-related activities to provide hands-on experience.

The syllabus has a good balance between the theoretical and practical aspects, and the contents are in conformity with the learning outcomes. The teaching techniques employed are effective and in conformity with UGC/CSIR/NET and other examinations.

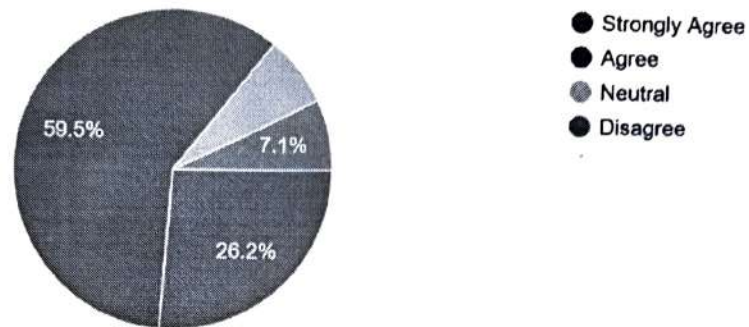

Most teachers believed that the course content encourages the habit of self-learning among students, but the curriculum development procedure could be developed further. The college has all the required facilities, including internet, to conduct online teaching as well.

Action Taken Report:

As per the feedback of Teachers, there were certain areas which necessitated urgent action:-

- The management pro-actively initiated steps to overcome the shortcoming of Internet connectivity. In the current session internet connection has been provided in all the departments. As a result, teachers seamlessly conducted online classes and implemented effective E-learning process. During offline classes, internet resources were available and accessed extensively by the students.
- All the departments have been advised to conduct workshops and guest lectures by subject experts to fill the gap in the curriculum.

FEEDBACK RESPONSES FROM ALUMNI 2020-2021

Feedback Analysis:

The feedback received from the ALUMNI of Christ Church College, Kanpur was very positive. The different facets of pedagogy registered around 75 per cent satisfaction rate, based on alumni feedback forms. The alumni opined that Christ Church College is one of those institutions that has almost perfect ambience for the overall development of its students. The teaching faculties are thought-provoking and excellent in their respective fields. They provide proper guidance for academics as well as personal life. Laboratories in the Faculty of Science are excellent.

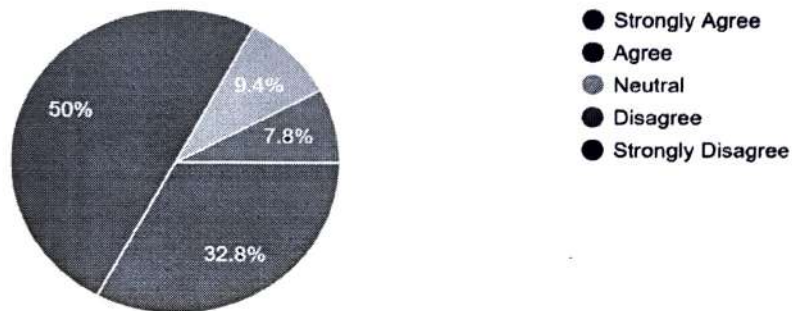

There was a relatively small section of Alumni who expressed dissatisfaction or remained neutral when asked for their opinion.

Most of the alumni who provided their feedback reported that the college helped them in getting placement and the syllabus content as well as curriculum was appropriate for the purpose. They appreciated the learning environment and the opportunity to get hands-on experience of real-life situations through field visits, projects and extra-curricular activities. The college places the students in all the activities and initiatives it undertakes.

Action Taken Report:

The valuable feedback provided by the Alumni brought forth areas requiring action:-

- The institution has urged the faculty to establish greater interface with industries. This would result in tie-ups and internships as also open vistas for placements of deserving students.
- The Alumni Association has been advised to enhance engagement with student Alumni so that we could set up a corpus fund for grant of scholarships to deserving/ meritorious students.
- Efforts have been initiated to engage with our alumni placed in premier institutes, so that our students can be apprised about prospects and opportunities in their institutes.
