Value Education Cell

Report Dated September 17th, 2022

Value Education cell organised an outreach programme. The members of the cell planned and executed the outreach programme for the desolated old age people in the Snehalay Shyamnagar Kanpur. This visit was done on 17th September 2022. There are total 85 persons (60 males and 25 females) are living. There are some mentally retarded some are abandoned . The members extended a hand of support and help to them by giving them grocery items. It was a meaningful visit aimed to fulfil the objective of the cell. Further it was decided to organize more of such programme giving the real meaning and purpose of the cell.
