PRINCIPAL

Dr. Joseph Daniel

Dear students, alumni, and friends

Welcome to Christ Church College. I am extremely happy and honored to address you as the Principal of the college. Life is nothing but a journey from the stations of Birth to Death. In this journey, all that we come across and experience adds to our knowledge and wisdom. In the process of acquiring such knowledge and wisdom, we celebrate and blow out the candles of life. However, just raw knowledge gained by us does not constitute education. Thus, we attend schools, and colleges to enhance the knowledge we receive and gain expertise.

The process of receiving or giving systematic instructions at a school or university can be termed as education. Thus, the college as a team is here to play its role. We are on the giving end and you are on the receiving end. Like the sun shines on the plants we will also shine upon you and guide you in your path. However, we are mere guides and cannot walk your path for you. Therefore, it is up to you to use our instructions in a way that benefits you.

We are here to encourage you, to find your calling. Use every opportunity to prove your worth and move towards your goal because it is your success that inspires us to do what we do. So, you are welcome and free to use our campus to enlighten yourself for a better future. Our college as a team is committed to impart quality education to create resourceful and responsible citizens.

Under very compelling circumstances the College Management had to abolish the Students Union in the Year 2001-02, as specified in the 'Caution' below :

Respecting democratic principles, this Institution had been organizing the union of students to inculcate in them a sense of healthy and constructive democratic activities and behaviour, but in recent years the elected student leaders launched a most malafide movement of gross indiscipline, corruption, terror and destruction, both inside and outside the College, bringing much disrepute to the Institution. Their shameful activities included such shocking acts as extortion of money from simple students & parents deceiving them with various false promises such as procuring admission, free ship, high marks etc., threatening the office staff relentlessly, abusing and attacking teachers even the Principal at his office & residence. Such violent activities not only entirely disrupted the academic atmosphere and work but were essentially prejudicial to good order and discipline in the College. For all these activities named F.I.Rs by the College and sometimes by the public were filed. When the matter were seen not coming to an end, the Management of the College decided not to hold students union elections to safeguard its minority character and its reputation of being an Institution of excellence, where Leaders like Pt. Moti Lal Nehru and numerous others had been educated. Certain elements have filed a writ petition in Hon'ble High Court, Allahabad, for holding union elections by the College and the matter was pending before the Hon'ble High Court for decision. Till then all student problems have been taken care by the Principal through the COLLEGE REFORMS AND WELFARE COMMITTEE. Students are welcome to submit their problems in writing directly to the Principal.

(The College filed a counter-affidavit to the writ petition of the students no. 36732/2001. Meanwhile the State of U.P. issued certain orders on the constitution of students' union's, affecting minority Institutions vitally, therefore the College Management had to file a another petition no. 46112/2003. Certain students of the College applied to the Hon'ble Court to be impleaded as parties to the writ petition of the students. All these writ petitions were grouped together by the Hon'ble High Court which were heard and finally decided on 23.12.2004, dismissing the writ petition of the students and allowing the writ petition of the College against the State of U.P. and Others vindicating the rights of minority Institutions in accordance with the Constitution of India).

The relevant extracts of the Court Orders in the above mentioned writs are given below:

"In exercise of the right to administer the minority institution the management of the petitioner-institution has taken a decision to abolish the process of holding of elections of the students union, especially in the background of the complaints which have been stated in detail in the wit petition, it cannot be said that the decision so taken by the management of the petitioner-institution is either arbitrary or unjustified. Further the said decision of the representation of the

students through perfect system is also a well-known and recognized mode of representation of the students for various activities of the educational institutions for providing over all development of students. The said mode to nominate office bearers has been recommended at the time of establishment of the students union itself by the Kothari Committee.

This Court does take judicial notice of the prevailing circumstances where in the elections of the students union are held in various universities and degree colleges resulting in mass violence, participation of political parties through back door, misuse of administrative machinery and involvement of unauthorized expenditure towards posters and pamphlets etc. increasing tendency to win the union elections by hook or crook....

In view of the aforesaid the orders issued by the additional District Magistrate dated 23.07.2004 as well as Government orders dated 01.09.2003 and dated 08.09.2003 which provide for election of office bearers of the Students' Union in affiliated minority Degree Colleges cannot be legally sustained and are hereby quashed. A WRIT OF MANDAMUS IS ISSUED COMMANDING THE RESPONDENTS NOT TO FORCE THE PETITIONER-INSTITUTION TO HOLD ELECTIONS OF THE OFFICE BEARERS OF THE STUDENTS' UNION. The writ petition No. 46112 of 2003 is allowed and Writ Petition No. 36732 of 2001 is dismissed"

Henceforth, the decision of the College to have the representation of the College students through the COLLEGE REFORMS & WELFARE COMMITTEE stands to function in the College.
