INTERNATIONAL CONFERENCE ON SUGAR AND SUGAR DERIVATIVES UNDER CHANGING CONSUMER PREFERENCES

18th – 19th July 2018

AT

NATIONAL SUGAR INSTITUTE
KANPUR, INDIA

INTERNATIONAL CONFERENCE ON "SUGAR & SUGAR DERIVATIVES UNDER CHANGING CONSUMER PREFERENCES" HELD ON 18TH-19TH JULY 2018 & REFRESHER COURSE FROM 16TH-20TH JULY 2018 AT NATIONAL SUGAR INSTITUTE, KANPUR, INDIA

Institute is organizing an International Conference jointly with M/s Global Cane sugar Services, New Delhi, which is supported by M/s J. P. Mukherji & Associates Pvt. Ltd., Bharatiya Sugar and Christ Church College off "Sugar & Sugar Derivatives Under Changing Consumer Preferences" to be held on 18th-19th July 2018. The theme of the Conference is of immense importance keeping in view the various countries imposing sugar tax and also changing consumer preference for different sugar qualities. The quantum of industrial utilization and sugar quality requirement is to be considered of paramount importance for deciding on sugar quality, which may not only result in value addition but also in enabling branding of Indian Sugars making presence felt globally.

The international Conference apart from eminent experts viz. Peter De Clerk Economist, International Sugar Organization, Mr. Arvind Chudasama, Editor, International Sugar Journal, Dr. Michael Saska, Professor, Louisiana State University, Audobon Sugar Institute, shall be addressed by other many International and Indian Experts. As can be seen from the theme as mentioned in the enclosed brochure, the deliberations at the conference shall be extremely helpful in drawing a road map for the Indian Sugar Industry i.e. for the sugar quality to produced, pricing policy, technological upgradation and desired policy interventions.

Further we are also glad to inform you that the institute is organizing a "Refresher Course" from 16th to 20th July 2018 at the institute to expose the technical personal from sugar, alcohol & allied industry about the recent trends, innovations in the area of sugarcane agronomy, sugar ethanol processing and value addition through by product utilization. The participants of the Refresher Course shall also get a chance to attend the International Conference to enrich their knowledge further.

You are requested to depute participants/delegates in large nos. from your organizations to makes it a success. Copies of the brochures for Conference & Refresher Course are attached for your information.
