

Christ Church College, Kanpur

WORLD CONFERENCE

On
Role of Medicinal Chemistry in the Current Scenario
(RMCCS-2020)

Organized by
National Research Centre, Cairo ,Egypt
University of Groningen, The Netherland
Christ Church College, Kanpur, India
Association of Chemistry Teachers, North zone, India
SR Group of Institutions, Lucknow, India

Powered by WILEY
3rd -5th July, 2020

Chief Guest

Prof Sandeep Verma
Secretary
Science and Engineering Research Board
Delhi

Patron

Prof Neelima Gupta
Vice Chancellor
Chhatrapati Sahu ji Maharaj University
Kanpur

Co patron

Rt.Rev.(Dr).P.P.Habib
Chairman
Christ Church College Governing Body
Kanpur

Co patron

Rev. Samuel Paul Lal
Secretary
Christ Church College Governing Body
Kanpur

President

Prof. Dr Mohamed Hashem
President
National Research Centre
Cairo, Egypt

Key note speaker

Prof. Dr Said I Shalaby
Vice President
Academy of Scientific Research
& Technology Cairo, Egypt

Advisor

Dr Joseph Daniel
Principal
Christ Church College
Kanpur

Chairman

Dr Devendra Awasthi
Head & Associate Professor
Shri JNPG college
Lucknow

Conference Secretary

Dr Shradha Sinha
Vice President
ACT, North zone
Lucknow

Chairman

Shri Pawan Singh Chauhan
SR Group of Institutions
Lucknow

Head

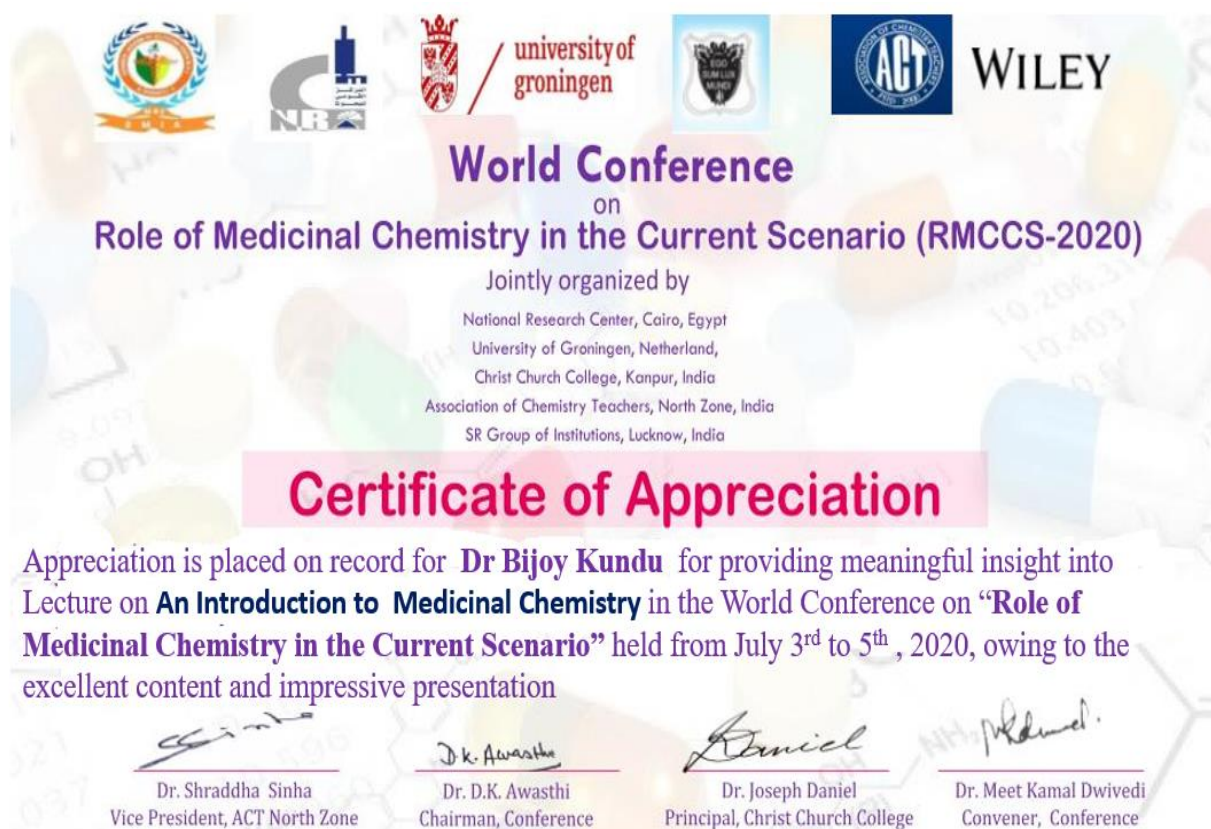

Dr Sudhir Gupta
Associate Professor
Christ Church College
Kanpur

Convenor

Dr Meekanshi
Associate Professor
Christ Church College
Kanpur

World conference on Role of Medicinal Chemistry in the current scenario, jointly collaborated by National Research Centre, Cairo, Egypt, University of Groningen, The Netherlands, Christ Church College, Kanpur and SJ group of Institutions, 3 to 5 th july , 2020.

The **Inaugural Session** was started by Prayer offered by Secretary **Rev Samuel Paul** followed by Welcome of all participants by Convenor **Dr Meetkamal** Further Address was given by the Hon'ble Bishop **Rt. Rev P.P.Habil.** Address by the Principal **Dr Joseph Daniel** was given to all the participants

Prof Devendra Awasthi chairman told about the aim of conference followed by the Speech of Chief guest **Prof Sandeep Verma** Director, SERB, New Delhi. The session was further enlightened by Speech of **Prof Said Shabbly** on behalf of President **Prof Mohmad Hashem** .Further the Address was given by Conference secretary **Prof Shraddha Sinha**

The Presidential Address by the Vice chancellor **Prof .Neelima Gupta** added laurels to the programm. Further the session concluded by Vote of thanks by HOD Chemistry **Dr Sudhir gupta**

The first Technical Session Started by Introduction of keynote speaker by the **Dr.Meetkamal : Prof Said Sahably** who gave a lecture on **Diagnostic Chemicopathological and Radiological findings of COVID-19** and Report by **Dr Indresh Shukla**. Further Thanks to the keynote speaker was given by **Dr Richa Tandon**

The second technical session started by bIntroduction of **Prof Bijoy Kundu** by **Dr Sarita Chauhan** who gave aremarkable lecture on **Introduction to Medicinal Chemistry**. Report was presented by **Dr. Soniya Singh** and Vote of thanks was given by **Dr. Kalpana Singh**.

On 4th July, 2020 the third technby ical session took its pace by Intoduction of the speaker by **Dr.Manisha shukla** Prof. A.J.Minnard whose talk was on the Topic : **Chemical synthesis of M. tuberculosis glycolipid antigens and their role in immune response"**The Report was given by **Dr. Manish Mishra** followed by Vote of Thanks by **Dr Sugandha Khare**. The fourth session started by

Introduction of the speaker by Dr Archana pandey : Mr Mandeep Singh who delivered his talk on the topic **Covid Changing Business Landscape**, The Report was presented by **Dr Mukesh Maurya** and Vote of thanks by **Dr.Shweta Chand** . The fifth session started by **Introduction of the speaker by Dr Dolly Bajpai : Mr.Niki Saukolin** who spoke on **Protect your Invention**.The Report was given by **Dr.Vandana Grover** and Vote of thanks by **Dr Anindita Bhattacharya**
The third day of the conference was 5th July 2020 and the sixth session started by Introduction of the speaker by Dr Alka Tangiri: Dr Anil kumar saxena. the topic of his talk was **Medicinal chemistry in drug discovery and development: current scenario**. The Report was given by Dr Sugandha Khare and Vote of thanks by Dr Niranjani Chaurasia.The seventh session started Introduction of the speaker by Dr Archana Dixit :Dr. Jignesh Mungalpara who presented his talk on the topic **Patent Analytics - Pharmaceutical Research**. The Report by Dr Dolly Bajpai and Vote of thanks by Dr Mariya Khan.

The Valedictory Session started by Paper Presentation by the participants which was coordinated by Organizing secretary Dr Seema Joshi and Report was given by Dr Sangeeta Verma . Report by the Convenor **Dr Meetkamal** was given . Address by **Shri Pawan Singh Chauhan ji** was given followed by the Address by the Chairman **Prof Devendra awasthi** . The Feedback of the program was given by **Prof Sudha Jain** and Vote of thanks by the Conference Secretary **Prof Shraddha Sinha**Followed by Closing Prayer by **Dr Sabeena Bodra**.
The program ended by singing National Anthem
