

Internal Quality Assurance Cell (IQAC) Christ Church College, Kanpur

Report for Academic Session 2020-21

1. A Two Days "National Workshop on Learning Google Apps and Moodle for Online Education", was organized for teachers and students in association with PSIT IEEE Students branch on July 29-30, 2020 with Dr. Anindita Bhattacharya as Coordinator. Speaker: Dr. Vishwanath Bite, Rajaram College, Kolhapur

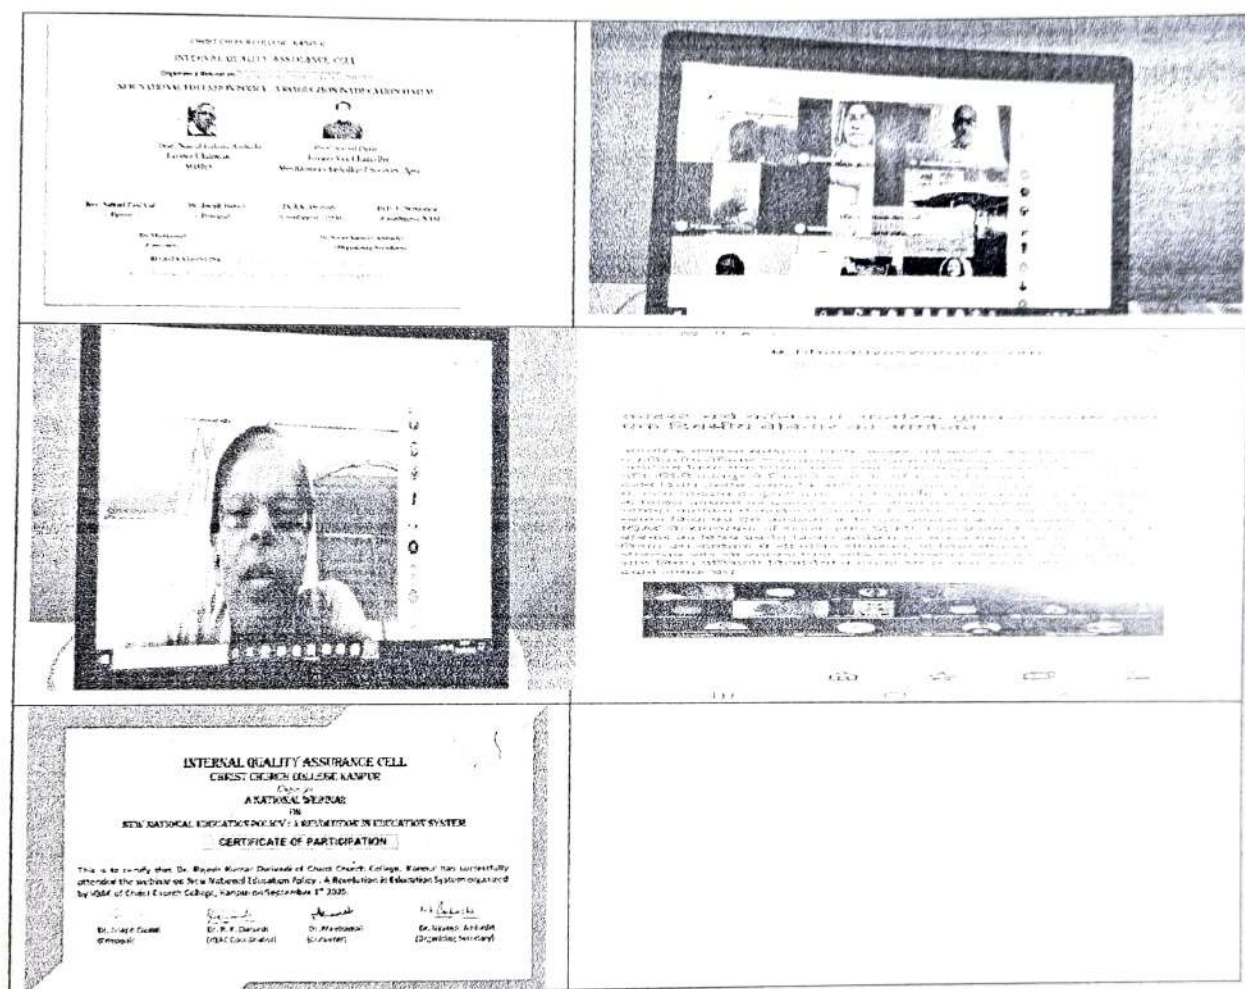

Number of Registered participants: 507

2. A webinar on “New National Education Policy: A revolution in education system”, was organized on September 01, 2020 with Dr. Meet Kamal as Convener and Dr. NK Ambasht as organizing Secretary.

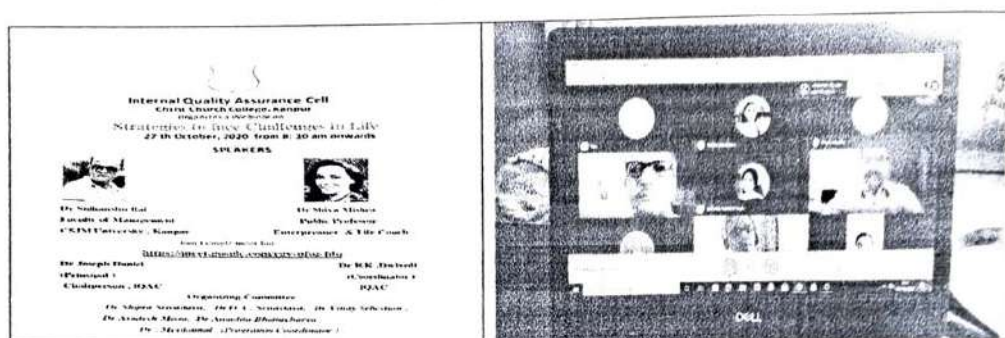

Speakers: **Prof. NK Ambasht, Former Chairman, NIOS**

Dr. Arvind Dixit, Former Vice-chancellor, DBRAU, Agra

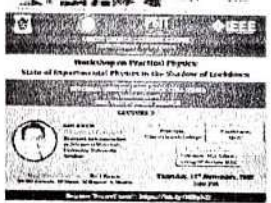

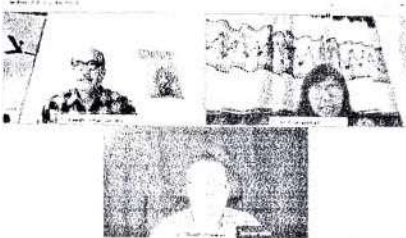

56 participants attended the workshop.

3. A webinar on “Strategies to face challenges in life” for our college students on **October 27, 2020**. It was coordinated by **Dr. Meet Kamal**.
Speakers: Dr. Sidhanshu Rai, CSJMU, Kanpur
Dr. Shiva Misra, Motivational Speaker

The webinar was attended by 120 students and teacher participants. No certificate of participation was given.

4. A “Workshop on Practical Physics: Connecting students and Techers to the Lab during Pandemic” was organized by Department of Physics, Christ Church College, Kanpur under the aegis of IQAC in association with PSIT IEEE Students branch. Five eminent speakers from various institutions in India and abroad shared their knowledge with students and teachers participants on experimental physics.

 <p>October 31, 2020 State of Experimental Physics in the Shadow of Lockdown</p>	 <p>Prof. Manohar Nyayte UM-DAE Centre of Basic Sciences, University of Mumbai</p>
 <p>November 03, 2020 Quantum science in visible range</p>	 <p>Prof. YK Vijay Former VC, Vivekanand Global University Director, CIST, The ITM University, Jaipur</p>
 <p>November 12, 2020 Graphene and SiC as sensors</p>	 <p>Prof. Michael Syvajarvi Linkoping University Sweden</p>

PSIT IEEE

**Workshop on Practical Physics:
State of Experimental Physics in the Shadow of Lockdown**

LECTURE 4

SPEAKER
Dr. Anurag Misra
Senior Scientific Officer
OMES, DAE, INDIA

Dr. Joseph D'Souza
Principal,
Christ Church College

Dr. R. M. D'Souza
Coordinator,
IQAC

Dr. Aparna Datta
Convener, WIE Affinity
Group IP Section IEEE

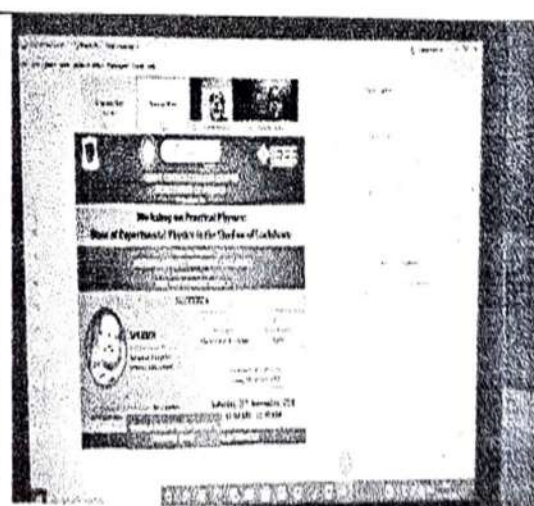

Organizing Committee: Dr. S. Kumar,
Dr. Maheshwari, Dr. Singh, Dr. Kapoor, A. Shukla

**Saturday, 21st November, 2020
11:00 AM - 12:00 PM**

Register Yourself here!! <https://bit.ly/25Ww3L7>

November 21, 2020

**Applications of particle
accelerators for me, you and
everybody**

Dr. Anurag Misra
Senior Scientific Officer
Department of Atomic Energy, Mumbai

PSIT IEEE

**Workshop on Practical Physics:
State of Experimental Physics in the Shadow of Lockdown**

Lecture 5 on Integrated Electronics

SPEAKER
Dr. Maheshwari Dina Sharma
Department of Physics
Panjab University,
Chandigarh

Dr. Joseph D'Souza
Principal,
Christ Church College

Dr. R. M. D'Souza
Coordinator,
IQAC

Dr. Aparna Datta
Convener, WIE Affinity
Group IP Section IEEE

Organizing Committee: Dr. S. Kumar,
Dr. Maheshwari, Dr. Singh, Dr. Kapoor, A. Shukla

**Friday, 4th December, 2020
2:00 PM**

Register Yourself here!! <https://bit.ly/230w7L7>

December 4, 2020

Integrated Electronics

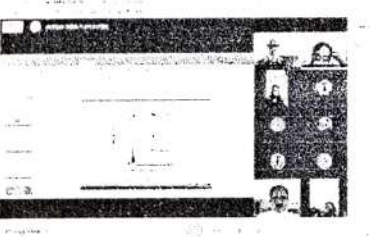

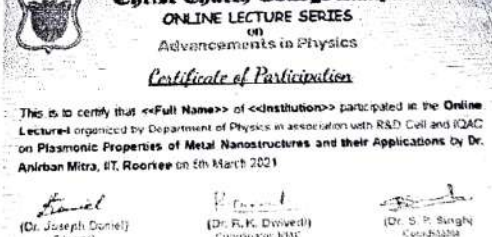

Dr. M. D. Sharma
Department of Physics
Panjab University, Chandigarh

Sample certificates

5. A Lecture series on Advances in Physics, by Research and Development Cell, in association with Department of Physics, Christ Church College, Kanpur under the aegis of IQAC was initiated with the first lecture as following.

<p>March 05, 2021</p>	<p>Dr. Anirban Mitra Department of Physics IIT, Roorkee</p>
	
	

67 participants attended the first lecture of the series.

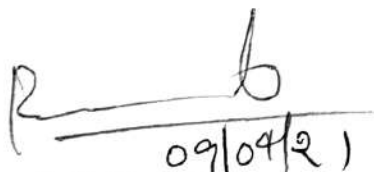

6. After the formation of full-fledged IQAC in September 2020, the following meetings of IQAC were organized during the current academic session to:

(i) Local meeting of IQAC with all HOD's on **October 22, 2020** at 11 am

(ii) **Full-fledged Meeting of IQAC** on **December 5, 2020** at 12:30 pm

(iii) Local meeting of IQAC with all HOD's on **February 10, 2021** at 11:30 am

IQAC after getting the advice of all the honorable members made several recommendations such as renovation of physical infrastructure, computer and internet facility to every department, ICT enabled lecture rooms for better teaching and learning, students, teachers and alumni feedback system, library automation etc., required for NAAC accreditation.

(Dr. R. K. Dwivedi)

IQAC Coordinator
