

## Christ Church College, Kanpur

### Value Education Cell

#### **Annual Report - 2020-2021**

Submitted by:

**Dr. D. Rai** – (Convenor)

**Dr. Sweta Chand** – (Co-Convenor)

In these 'Covid times' it was a challenging task to take charge of the Value Education Cell, especially because it would be difficult to organise large gatherings while maintaining Covid – 19 protocols.

However it was decided that every teacher would contribute towards the dissemination of values through the offline and online classes – communicating concern and compassion, besides inculcating the values of integrity, hard work, diligence, courage and confidence in the students.

Offline classes have been introduced very gradually beginning from October 16, 2020. The college has finally resumed offline classes for all the students from 4<sup>th</sup> January 2021. The Value Education Cell hopes to conduct the following programmes in the months of January, February and March to sensitise students to the importance of social, personal, moral and human values. It aims to help them to nurture these values within themselves, to commit to working for the spread of these values in college, at home and in the community. An increase in concern, compassion, commitment and confidence can contribute to a stronger sense of fraternity, strengthening the social fabric and making a stronger nation.

**Proposed Programmes : January, 2021 to April, 2021:**

**1. Republic Day (26<sup>th</sup> January, 2021) :**

- Songs, speeches and participation in Republic Day Programme – to foster patriotism.

- Essay Writing Contest : **The Role of Students in Nation-building**

OR

**Winning the Battle Against Apathy  
in the Public Domain**

OR

**India needs Me.**

**2. (a) Mask Making and Mask Distribution Week (February 4 – 8, 2021)**

(b) Preparing 'Sanitisers' and creating awareness of its importance and use. **(February 4 – 8, 2021)**

**To encourage values of social caring, concern, craftsmanship, teamwork and importance of creating social awareness.**

**3. Cleanliness Drive (March, 2021)**

**4. Lecture Series :**

(i) Health is Wealth

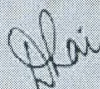

(ii) The Immeasurable Worth of Values

(iii) Value Education in the Classroom(for Teachers)

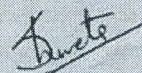

(iv) Coping with Stress and Uncertainty in Covid times.

**Date : 13<sup>th</sup> January, 2021**

**Submitted by:**

**Dr. D. Rai**

**Dr. Shweta Chand**

## Value Education Cell Program Report

The value education cell of Christ Church College, Kanpur Organized an “Essay competition” on the occasion of Gandhi Jayanti from September 22<sup>nd</sup> - 25<sup>th</sup>, 2021. The topic given for the essay was “**The Relevance of Gandhian Values in the 21<sup>st</sup> Century**”. The students could submit their essays both in Hindi and English Language. 30 students took part in this out of which 16 students opted to write in English and 14 in Hindi.

The Judge for English essay was Dr. Dorothy Rai and Hindi Essay was Judged by Dr Awadhesh Mishra.

The Program was a great success where in the participants showed the creative ideas penned down in the form of Essay. The thoughts expressed were quite contextual and practical. The winners and the participants were given certificates on October 5<sup>th</sup>, 2021.

**The winners of the Essay’s are –**

### **English-**

- 1-Kashish Gupta (B.A II)
- 2-Khushi Malhotra (B.A III)
- 3-Guneet Kaur Alang (M.Com Prev.)

### **Hindi-**

- 1-Sakshi Singh (B.Sc II)
- 2-Amita Gupta (M.Sc Final Zoology)
- 3-Deepti Tiwari (B.Sc II)

## Value Education Cell

Report Dated December 10<sup>th</sup>, 2021

Value Education cell organised a Lecture on “Values in the Digital Age” on December 10, 2021 in the Seminar Hall at 10:00 A.M. The lecture was delivered by Dr. Dorothy Rai, Ex- HOD, Department of English, Christ Church College, Kanpur.

Principal and Secretary, Dr. Joseph Daniel started the program with little introduction on the topic. He said that the educational process is the chief way of affecting the personality of a student with values. One must grow in knowledge by not neglecting his/her moral values.

Dr. Anindita Bhattacharya, Associate Professor, Department of Chemistry introduced the speaker.

The Information Age (also known as the Computer Age, Digital Age, or New Media Age) is a period in human history characterized by the shift from traditional industry that the industrial revolution brought through industrialization, to an economy based on information computerization. The onset of the Information Age is associated with the Digital Revolution.

The speaker opined that the digital age is having so much impact on the social, economic and political life of the societies today. This is due to

the changes brought about in our daily aspects of life. It also helped us to improve and reshape our environment with the aid of practical, experimental and scientific knowledge or technology. She also discussed about the features of values in digital age by highlighting the importance of values in one's life. She also focussed on the different kinds of values and how they help us in building our personality.

Convenor, Dr. Shweta Chand, Associate Professor, Department of Chemistry gave the concluding remarks and Vote of thanks.

Dr. Mridula Samson and other faculty members were present in the talk. 53 Students actively participated in the talk.
