PRINCIPAL & SECRETARY, GOVERNING BODY

Dr. Joseph Daniel

Dear students, alumni, and friends,

Welcome to Christ Church College. I am extremely happy and honored to address you as the Principal of the college. Life is nothing but a journey from the stations of Birth to Death. In this journey, all that we come across and experience adds to our knowledge and wisdom. In the process of acquiring such knowledge and wisdom, we celebrate and blow out the candles of life. However, just raw knowledge gained by us does not constitute education. Thus, we attend schools, and colleges to enhance the knowledge we receive and gain expertise.

The process of receiving or giving systematic instructions at a school or university can be termed education. Thus, the college as a team is here to play its role. We are on the giving end and you are on the receiving end. As the sun shines on the plants, we will also shine upon you and guide you in your path. However, we are mere guides and cannot walk your path for you. Therefore, it is up to you to use our instructions in a way that benefits you.

We are here to encourage you, to find your calling. Use every opportunity to prove your worth and move towards your goal because it is your success that inspires us to do what we do. So, you are welcome and free to use our campus to enlighten yourself for a better future. Our college as a team is committed to imparting quality education to create resourceful and responsible citizens.

CHRISTCHURCHIAN

Dreams blossom, we grow together,
to destinations, we go together,
we are Christchurchians,

Exploring the depths of knowledge,
and soaring on the wings of fire,
Every day we rise together,
to conquer what we dream and desire,

It's a heaven for the bright,
a planet full of light,
Let's all sing to its glory,
let's all serve it day and night,
we are Christchurchians,

We, Christchurchians, are angels,
spreading love and brotherhood,
We pursue the aims of our lives,
standing by what's right and good,
It's a heaven for the bright,
a planet full of light,
Let's all sing to its glory,
let's all serve it day and night,
we are Christchurchians.

Christ Church College, Kanpur (affiliated with Chhatrapati Shahu Ji Maharaj University, Kanpur) has adopted the Semester System in Undergraduate as well as Postgraduate Courses as per directives of the Higher Education Department, Uttar Pradesh to accelerate the teaching-learning process and enable vertical and horizontal mobility in the learning.

The credit-based semester system intends to provide flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The common minimum syllabus has been approved and adopted by the University through the prescribed statutory process as per directives from UP Government.

The Semester System has the following features:

- **Academic Year:** Two consecutive (one odd + one even) semesters constitute one academic year.
- **Credit System (CBCS):** The CBCS provides a choice for students to select from the prescribed courses (core, elective or minor, or skill-based courses). Under the CBCS, the requirement for awarding a degree or diploma, or certificate is prescribed in terms of the number of credits to be completed by the students.
- **Course:** Usually referred to, as 'papers' is a component of a program. All courses neednot carry the same weight. The courses should define learning objectives and learning outcomes. A course may be designed to comprise lectures/ tutorials/laboratory work/ fieldwork/ outreach activities/ project work/ vocational training/viva/ seminars/term papers/assignments/ presentations/ self-study etc. or a combination of some of these.
- **Credit Point:** It is the product of grade point and the number of credits for a course.
- **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.
- **Cumulative Grade Point Average (CGPA):** It is a measure of the overall cumulative performance of a student overall semester. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.
- **Grade Point:** A numerical weight is allotted to each letter grade on a 10-point scale.

- **Programme:** An educational program leading to the award of a degree, diploma, or certificate.
- **Semester Grade Point Average (SGPA):** It is a measure of performance of work done in a semester. It is a ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
- **Semester:** Each semester consists of 15-18 weeks of academic work equivalent to actual teaching days. The odd semester may be scheduled from July to December and even semester from January to June.
- **Transcript or Grade Card or Certificate:** Based on the grades earned, a graded certificate shall be issued to all the registered students after every semester. Under very compelling circumstances the College Management had to abolish the Students Union in the Year 2001-02, as specified in the 'Caution' below:

Respecting democratic principles, this Institution had been organizing the union of students to inculcate in them a sense of healthy and constructive democratic activities and behaviour, but in recent years the elected student leaders launched a most *malafide* movement of gross indiscipline, corruption, terror and destruction, both inside and outside the College, bringing much disrepute to the Institution. Their shameful activities included such shocking acts as extortion of money from simple students & parents deceiving them with various false promises such as procuring admission, free ship, high marks, etc., threatening the office staff relentlessly, abusing and attacking teachers even the Principal at his office & residence. Such violent activities not only entirely disrupted the academic atmosphere and work but were essentially prejudicial to good order and discipline in the College. For all these activities named F.I.Rs by the College and sometimes by the public were filed. When the matter was seen not coming to an end, the Management of the College decided not to hold student union elections to safeguard its minority character and its reputation of being an Institution of excellence, where Leaders like Pt. Moti Lal Nehru and numerous others had been educated. Certain elements have filed a writ petition in Hon'ble High Court, Allahabad, for holding union elections by the College and the matter was pending before the Hon'ble High Court for decision. Till then all student problems have been taken care of by the Principal through the COLLEGE REFORMS AND WELFARE COMMITTEE. Students are welcome to submit their problems in writing directly to the Principal.

(The College filed a counter-affidavit to the writ petition of the students no. 36732/2001. Meanwhile, the State of U.P. issued certain orders on the constitution of students' unions, affecting minority Institutions vitally, therefore the College Management had to file another petition no. 46112/2003. Certain students of the College applied to the Hon'ble Court to be impleaded as parties to the writ petition of the students. All these writ petitions were grouped together by the Hon'ble High Court which was heard and finally decided on 23.12.2004, dismissing the writ petition of the students and allowing the writ petition of the College against the State of U.P. and Others vindicating the rights of minority Institutions in accordance with the Constitution of India).

The relevant extracts of the Court Orders in the above-mentioned writs are given below:

"In exercise of the right to administer the minority institution the management of the petitioner-institution has taken a decision to abolish the process of holding of elections of the student's union, especially in the background of the complaints which have been stated in detail in the writ petition, it cannot be said that the decision so taken by the management of the petitioner-institution is either arbitrary or unjustified. Further, the said decision regarding the representation of the students through the perfect system are also a well-known and recognized mode of representation of the students for various activities of the educational institutions for providing overall development of students. The said mode to nominate office bearers has been recommended at the time of the establishment of the student's union itself by the Kothari Committee. 21

This Court does take judicial notice of the prevailing circumstances wherein the elections of the student's union are held in various universities and degree colleges resulting in mass violence, participation of political parties through back door, misuse of administrative machinery and involvement of unauthorized expenditure towards posters and pamphlets etc. increasing tendency to win the union elections by hook or crook...

In view of the aforesaid, the orders issued by the additional District Magistrate dated 23.07.2004 as well as Government orders dated 01.09.2003 and dated 08.09.2003 which provide for the election of office-bearers of the Students' Union in affiliated minority Degree Colleges cannot be legally sustained and are hereby quashed. A WRIT OF MANDAMUS IS ISSUED COMMANDING THE RESPONDENTS NOT TO FORCE THE PETITIONER-INSTITUTION TO HOLD ELECTIONS OF THE OFFICE BEARERS OF THE STUDENTS' UNION. The writ petition No. 46112 of 2003 is allowed and Writ Petition No. 36732 of 2001 is dismissed"

Henceforth, the decision of the College to have the representation of the College students through the COLLEGE REFORMS & WELFARE COMMITTEE stands to function in the College.
