GENDER SENSITIZATION AND WOMEN DEVELOPMENT CELL

ANNUAL REPORT 2022-2023

The Gender sensitization and Women Development Cell of the institution is committed to fostering an inclusive environment that contributes to the overall growth , with a special focus on women within and around the college .To achieve this objective , the Cell organizes programs and activities to foster a conducive environment for women.

Program on Gender Sensitization 19-09-2022

This program underlined the need for Gender Sensitization. It can only be accomplished through gender sensitivity and breaking stereotype terms of identity, gender discrimination, through awareness and mutual respect. In this program, a questionnaire was given to analyze the sensitivity of each individual participant and to what extent they are aware of gender sensitization.

After the lecture and interactive discussion with the students a questionnaire based on gender sensitivity was distributed among the students participant. The consensus of the questionnaire was that it is important to understand the concept

of gender, sexuality, stereotypes associated with gender etc, In addition to this they educated about the LGBTQIA+ community to sensitize them towards the non-binary gender. The conclusion is inferred that 54% students understand gender identity male / female, 77% students knew how to recognize gender stereotype. 31% students said that gender sensitization should happen as early age the age of 3 and 98% students knew the difference between sex and gender.
