In association with

UPTEC, Kanpur

VOCATIONAL SKILL PARTNERS

Organized

A Lecture

On

INFORMATION TECHNOLOGY

October 12, 2023

Vocational Skill Partners, Christ Church College, Kanpur, in collaboration with UPTEC, Kanpur organised a Lecture on the topic “Information Technology” in the Dr. Sarvepalli Radhakrishnana Hall on October 12, 2023.

The programme started with the lighting of the lamp by the dignitaries on the dias followed by offering a prayer by the SCM student, Ms. Stuti Angel

Coordinator of the Vocational Courses Office Automation using MS-Office,

Dr. Anindita Bhattacharya, Professor and Incharge, Department of Chemistry,

welcomed the guests and introduced the theme of the Lecture. She opined that the Information Technology plays a vital role in upscaling our professional and personal lives. It is the pinnacle of the foundation of communication, technologies, innovation, seamless sustainability, and

other important aspects that helps the company to reach its full potential.

Mr. Kirti Pant, General Manager, Information Technology, UPTEC Lucknow was the keynote speaker on the occasion. He explained the nitty gritty of the Information Technology. He said that Information Technology uses

computer systems or devices to access information. It is a combination of both information and technology. This system is responsible for a large portion of any workforce, business operation, and other personal access information comprising an individual's daily activities. It impacts our day-to-day life gravely. He also told

the students that there are tons of scopes that the students can avail via the help of information technology. It is a staple in our day -to-day activities. One can achieve several potentials with the help of information technology to upgrade their career. He also opined that there is a plethora of benefits in the IT business. They help in establishing communications and choosing effective methods to flourish the business.

A small quiz was also organised on the occasion.

Vice-Principal, Prof. Sabina R. Bodra said that it is a very pertinent topic for discussion as the world is moving towards digitalisation. Information technology (IT) is a broad professional category covering functions including building communications networks, safeguarding data and information, and troubleshooting computer problems. She urged the students to make use of the lecture and move ahead towards a fruitful future with grounded technical knowledge.

Vote of thanks was given by the **student representative, Mr. Shiva Savita.**

All the faculty members and students of the college were present in the lecture.

A handwritten signature in black ink, appearing to read 'Dr. Anindita Bhattacharya'.

Dr. Anindita Bhattacharya
