

Right to Information (RTI) Cell

Under

(Right to Information Act 2005 (Act No. 22 of 2005, as modified up to 1st February 2011))

Vision:

To promote transparency and accountability in the institution by providing access to information and fostering a culture of openness.

Mission:

To ensure timely and effective implementation of the Right to Information Act, 2005, and to provide accurate and relevant information to stakeholders.

Objectives:

- To provide access to information related to the institution's functions, activities, and decisions.
- To promote transparency and accountability in the institution's functioning.
- To ensure compliance with the provisions of the RTI Act, 2005.
- To build trust and confidence among stakeholders.

Functions:

- Receiving and processing RTI applications.
- Providing information and documents within the stipulated timeframe.
- Maintaining records and documents.
- Conducting awareness programs and training sessions.
- Ensuring compliance with RTI Act and rules.
