REPORT

ONE DAY WORKSHOP ON RESEARCH METHODOLOGY AS PER NEP 2020

(27th February 2024)

The Department of Economics and Westcott Central Library, Christ Church College, Kanpur jointly organised a 'One-day workshop on Research Methodology as per NEP 2020' on 27th February 2024 for students to develop a basic knowledge on research as per the guidelines of NEP 2020 for Project preparation of UG and PG programmes and also to motivate scholars and faculties in their area of research.

Program Objective:

The objectives of the workshop were:

1. To Equip participants with foundational research skills, including formulating research questions and designing methodologies, to enhance their ability to conduct effective research.
2. To familiarize participants with online e-resources, enabling them to efficiently access, evaluate, and incorporate digital tools and databases in their research endeavours.

The workshop started with the inaugural session in the Sarvapalli Radhakrishnan Auditorium of Christ

Church College where Prof. Joseph Daniel, Principal welcomed the guests and emphasised on the

importance of conducting Research effectively through the new advances in research methodology and online tools. The Vice Principal, Prof. Sabina R. Bodra addressed the students by accentuating the importance of Research Project in UG and PG programmes as per NEP 2020 and Prof. Sujata Chaturvedi, Co-ordinator, Library Advisory Committee, motivated the students to develop interest in Research as it can only lead to big innovations and inventions.

The first session was taken by Dr. A K Verma, Former Chair, Dept. Of Political Science, Christ Church College, Kanpur and presently the Director, 'Centre for the Study of Society and Politics' (CSSP), Kanpur where he threw light on the topic, "Basics of Research and How to Prepare a Research Project". The participants were very inquisitive during the session as the resource person also briefed them how to prepare their research projects.

The second session was conducted by Prof. Ashish Kumar Shrivastava, University Librarian and Coordinator of Department of Library and Information Science, CSJM University, Kanpur. He guided the students through an elaborative discussion on "Online Database and E-Resources" through the use of ICT. He enhanced the knowledge of students about the study material available on Satyam, e-Gyan kosha, etc. The session proved to be very informative for all.

Feedback of Participants:

The feedback of the students was also collected through a google form:

Kindly give your feedback regarding this workshop by scanning the QR code given above.

Program Outcome:

1. The participants learnt about the importance and basic knowledge of research.
2. They came to know the entire research process including methods, tools, writing pattern, etc.
3. They became aware about various open e-resources and online database tools which help to fulfill their course and research requirement as reading materials, and journals of their specific areas.
4. The workshop also motivated the faculties for enhancing their basic knowledge on new advances in research and their application.
5. As the entire workshop was managed by the students of the Department of Economics and student volunteers of the Library Advisory Committee so students inculcated management skills.
