The event was organized in the Dr. Sarvepalli Radhakrishnan Auditorium of Christ Church College which has a rich legacy because it was inaugurated by Dr. Sarvepalli Radhakrishnan himself. To increase awareness on voting, two events were organized for the students i.e., Debate Competition on the topic “*Importance of Turnout & Quality of Vote Choice*” and Poster Making Competition on the theme “*Voting Awareness*”.

This Program began with the welcome address by Prof. Sunita Verma, Voters Registration Centre In-charge, to all the guests, faculties and students. She also emphasized the importance of voting for all of us. Prof. Sabina Bodra, addressed the gathering by laying down the importance of voter turnout during elections for our country to be a vibrant democracy. The students were shown a short film which apprised them regarding the importance of a vote during elections and a song was also played to motivate them for turning in large numbers to vote during elections. Both the judges also took the opportunity and apprised the students regarding the power of our one vote and why democracy like India needs more voter turnout during elections and announced the winners of the Competition.

The competitions culminated by the Vote of Thanks given by Prof. Ankita Jasmine Lall, Assistant Professor, Christ Church College, Kanpur who greeted the gathering and extended her gratitude to all the dignitaries and coordinators.

The Debate Competition was conducted in 2 languages (English and Hindi) and 12 students actively participated in it whereas the Poster Making competition attracted 9 participants.
