

Annual Progress Report of Research Advisory Council (RAC)

The UGC launched an initiative in March-2022 to establish a research & development cell in higher educational institutions with the mandate for promoting quality research that contributes meaningfully towards the goal of a self-reliant India (“Atma-Nirbhar Bharat”), aligned with the provisions of NEP-2020. As per the mandate of UGC, New Delhi, vide letter F.No. 1-5/2021 (NEP/DESK/PARL) dated 14-03-2022, the research & development cell is being constituted in the college on 21.12.2022, with the following vision & mission:

Vision:

To put in place a robust mechanism for developing & strengthening the research ecosystem within the institution, aligned with the provisions of NEP-2020.

Mission:

- 1.** To create a conducive environment for enhanced research productivity.
- 2.** To encourage collaboration across industry, government, community-based organizations & agencies at the local, National & International levels.
- 3.** To facilitate greater access to research through the mobilization of resources & funding.

Objectives:

- 1.** To create an organizational structure with role-based functions of RDC, formulate Research Policy for the HEIs, identify thrust areas of research, and form related cluster groups/frontline teams/consortia of researchers.
- 2.** To create enabling provisions in Research Policies for recruitment of research personnel, procurement of equipment, and financial management with adequate autonomy to the Principal Investigator(s) and disseminate research outcomes to stakeholders and the public at large.
- 3.** To establish a special purpose vehicle to promote researchers and innovators, identify potential collaborators from industry, research organizations, academic institutions & other stakeholders for cooperation and synergistic partnerships.
- 4.** To act as a liaison between researchers & relevant research funding agencies, extend guidance in preparation & submission of project proposals and post-sanctioning of the grants to oversee adherence to timelines.
- 5.** To have better coordination among other cells/centers dealing with University-Industry Inter Linkage, Incubation, Innovation and Entrepreneurship Development and Intellectual Property Rights (IPR).

6. To develop an Institutional Research Information System for sharing the status of ongoing/completed research projects/Programmes, expertise & resources, etc., making effective use of Information & Communication Technology (ICT) for preparing the database of in-house experts to provide industrial consultancy and services.
7. To engage & utilize the services of superannuated active faculty/scientists in research capacity building of talented young minds and promote mobility of researchers across institutions and R&D Labs.
8. To serve as nodal center for ideation and conceptualization of research topics/themes by organizing workshops and training programs and ensuring the integrity and ethical practices in research activities including clearance of bioethical committee wherever required.

“Minutes of the Meeting”

To develop & strengthen the research ecosystem within the college, aligned with the provisions of NEP-2020, the **Research & Development Cell (RDC)** was constituted in the college on 21.12.2022 whose first meeting was held on 16.01.2023 in the Principal's office. The followings were proposed & decided unanimously by the committee:

1. Each & every faculty member of the college will contribute in the research without any reservations. The HOD's of every department are requested to ensure that all the faculty members, those who are eligible, should be the approved supervisors from the University.
2. At least one research proposal will come out from each department for getting financial assistance and grants from UGC & other agencies through the HOD till the end of this year.
3. It was proposed that the present **RDC** will be converted in **Research Advisory Council (RAC)** Chaired by the Principal. The Convener of RAC will make different sub-committees of RDC by nominating members those who are effectively involved in research to smoothen its functioning & it will be approved by RAC. The activities of RDC will be mentored & monitored by these various sub-committees.
4. The RAC will meet at least once in every quarter. The next meeting is proposed in the month of April whose date will be announced later.

Attendance of Sixth RAC Meeting

“Minutes of the Sixth Meeting”

To develop & strengthen the research ecosystem within the college, aligned with the provisions of NEP-2020, the **Research Advisory Council (RAC)** was constituted in the college on 21.12.2022 whose first, second, third, fourth & fifth meeting was held on 16.01.2023, 24.04.2023, 31.10.2023, 10.02.2024 & 18.03.2024 respectively in the Principal’s office. The sixth meeting of RAC was held on 02.04.2024 in **Dr. Sarvepalli Radhakrishnan Auditorium**. It was the General Body meeting in which all the faculty members along with guest faculty & research scholars had participated. The followings were proposed & decided unanimously by the committee:

1. New RDC will be constituted & will be announced by the Principal shortly.
2. The RDC will work under the supervision of RAC & will take up the problems of all the research scholars directly.
