

Christ Church College, Kanpur

CO-CURRICULAR PROGRAMS COMMITTEE

SPEECH COMPETITION

TOPIC: ATMANIRBHAR BHARAT

27th September, 2024

Program Objective

The Co-curricular Programs Committee of Christ Church College, Kanpur organized a Speech Competition on the topic 'Atmanirbhar Bharat' with the aim of developing public speaking skills among the students.

The main objectives of the program can be encapsulated as follows:

- **Faster Thinking:** The event aims to enrich students' understanding of the topic and the way they present their thoughts and recommendations in a structured manner.
- **Public Speaking:** The event provides a platform to participants to develop crucial public speaking skills which are imperative in today's world.
- **Fluency:** The event aims to instill fluency and articulation skills which will benefit them in their careers.

Flyer

The flyer features a background with a gradient of orange, yellow, and green. On the left is the college crest with the motto 'EGO SUM LUX MUNDI'. On the right is the circular logo of the Co-curricular Programs Committee. The text is centered and includes the college name, committee name, event title in Hindi, the topic, venue, date, and time.

Report

A Speech Competition was organized on 27th September 2024 on the topic 'Atmanirbhar Bharat', under the "Seva Pakhwara" (Service fortnight). The aim was to develop public speaking and critical thinking skills among the students. The topic Atmanirbhar Bharat is both relevant and important to provide an understanding of the vision and development of the India.

The Principal, Prof. Joseph Daniel addressed the students and shared how the idea of 'Atmanirbhar Bharat' can help us become a developed country and a beacon for others. He emphasized the need for citizens to work in tandem with the government to overcome the challenges plaguing our country.

The Coordinator of Co-curricular Programs Committee, Dr. Sanjay Saksena told the students about the 5 pillars of 'Atmanirbhar Bharat'—Economy, Infrastructure, Technology Driven System, Vibrant Demography and Demand.

In the event, four finalists put forth their opinions and perspectives on the topic with clarity of thought and an insightful analysis of the economic goals of a self-reliant economy. The final participants were awarded certificates of appreciation and participation.

Names of Final Participants	Class
Digvijay Singh	M.A. Sem 1
