

TOURISM CLUB

Christ Church College, Kanpur

Educational Tour on 24 April, 2024

Report

On 24/04/2024, the tourism club of Christ Church College, Kanpur started its first tour in which the college principal Prof. Joseph Danial showed the green flag. This tour was beneficial for our students. This tour included two sites viz. Goldiee Masale Factory, Mandhana, Kanpur and ICCC Kanpur Nagar Nigam. For this tour Kanpur nagar nigam provided a bus and a guide on the payment basis. Tourism Club coordinator Dr. Ashish Omar and faculty members Dr. Niranjana Swaroop, Dr. Rameshwar Prasad Mishra etc were present and encouraged the students.

First Visit - Goldiee Masale Factory

The tour started under the direction of tourism club coordinator Dr. Ashish Omar. This was an industrial visit where we visited Goldiee masale private limited factory located in Mandhana, Kanpur. First of all Dr. Ashish Omar introduced the students to the incharge Mr. Manu Rastogi who explained to us about the factory in detail. Then Mr. Rastogi showed us his lab where they test their raw materials used in making spices and noodles. He also explained to us how we can do quality checking of a product at home. Mr. Rastogi also showed us all the instruments in the lab. After that the students asked their questions and Mr. Rastogi's team answered all the questions very well and made us understand. Mr. Rastogi's team also took us inside the factory where we saw the manufacturing of Goldiee Noodles and the students followed all their rules and regulations.

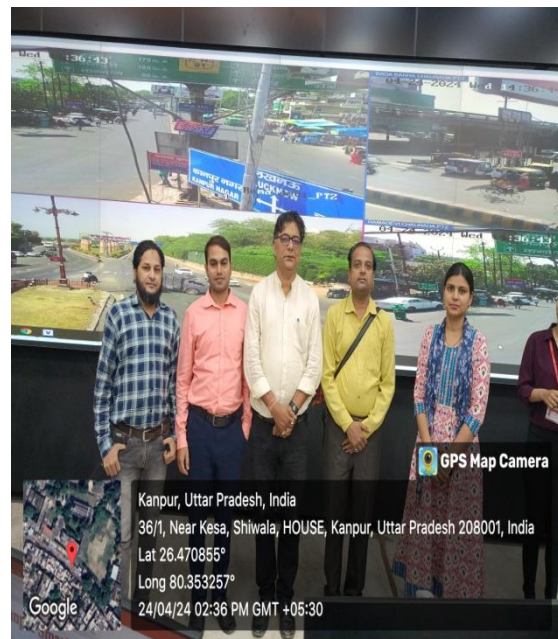

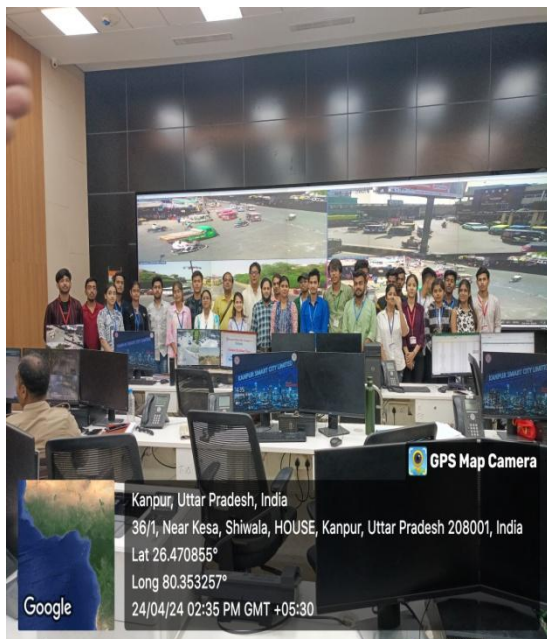

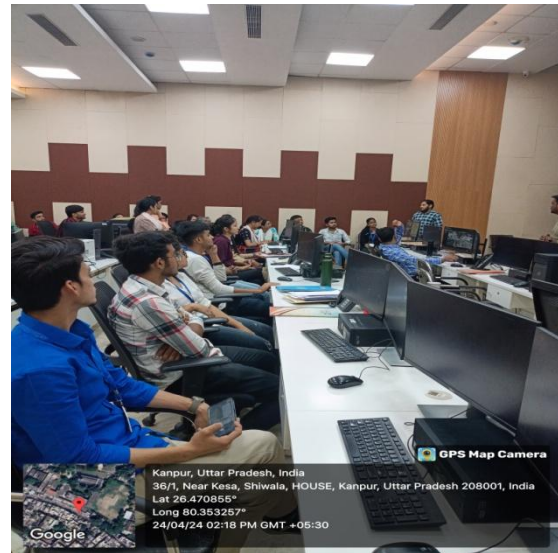

After visit the manufacturing site all the students and faculty members went to conference hall where Mr. Rastogi's team explained in detail about the factory through presentation. Mr. Rastogi also fed noodles made in the factory to all the students and faculty members. After their presentation tourism club members Aryan Jaiswal, Ayush Kumar Bhati and student Eliza Saxena expressed their gratitude. At the end Mr. Rastogi gave gift hampers to all the students and faculty members.

Second Visit - ICCC (Integrated Command and Control Center)

Our next visit was to ICCC (Integrated Command and Control Center) Kanpur Nagar Nigam. Mr. Rahul Sabbarwal of Kanpur nagar nigam explained that the Kanpur Smart City Integrated Command and Control Center serves as a foundation to develop a Ready-To-Go platform with pre integrated applications for managing various civil operations.

Mr. Sabbarwal took us to the control room and told us how his team, keeps an eye on the entire city and controls the traffic as well as any unwanted activities. Then the students asked questions and the ICCC team explained the answers to all the questions clearly. After this visit we came back to our college and took a group photograph.
