# FOOD DISTRIBUTION TO T.B. PATIENTS AT KPM HOSPITAL

## Program Report

2023-24

### **Program Overview**

The Value Education Cell regularly visits KPM Hospital, Kanpur, to distribute food materials to 11 TB patients under a government scheme. This initiative aims to provide essential nutrition to patients, aiding their recovery and well-being.

### **Program Objectives**

The primary objective of this program is to instil a sense of empathy and social responsibility among students. By participating in these visits, students learn the importance of community service and the impact of their contributions on the lives of others.

### **Program Outcomes**

1. **Enhanced Student Awareness:** Students gain firsthand experience in community service, understanding the challenges faced by TB patients.
2. **Improved Patient Nutrition:** The distributed food materials help improve the nutritional intake of TB patients, supporting their treatment and recovery.
3. **Community Engagement:** The program fosters a stronger connection between the hospital, the students, and the broader community, promoting a culture of care and support.
